**Total Due at time of Registrsration.....\$ \_\_\_\_\_**

*(make checks payable to Cardinal Swim Club)*

\*Monthly swim fees are the principal source of income. The bookkeeper will send invoices to each family via email or CARD mailbox located poolside no later than the 15<sup>th</sup> of each month. The invoices will have a detailed description of the fees due for that specific month and any past due fees. Swim fees are due each month no later than the 30<sup>th</sup> of each month. There is a late charge of 10% for fees that are 30 days past due. If such late payments are repetitive, swimmers may not be permitted to continue with their practice sessions until all amounts in arrears are paid. The Club is dependent upon regular receipt of these funds for a substantial portion of its income; it is an essential obligation that fees are paid on time each month. If any discrepancy or questions concerning your invoice should arise, you must contact the treasurer with an explanation of the problem and they in turn will resolve the issue with the appropriate people and respond to your inquiry within an appropriate time frame.

\*\*Annual CARD Registration Fee: \$100 for first swimmer, \$50.00 for each additional swimmer.

*20 Card Carb cards will be issued to each swimmer upon registration which will enable families who wish to participate in the sales of Card Cards to recoup this Annual Fee. 10 cards will be issued for each additional swimmer per family.*

# 2009/10 PARENT VOLUNTEER FORM

Supporting your child in swimming can be one of the most rewarding experiences in the sport. You may be timing at meets, helping at fundraisers, organizing group social events, or becoming a certified USA Swimming Official. Whatever your role may be, your child's experience with Cardinal has much to do with your positive support. Please initial each requirement and sign the form then return it to the registration personnel.

## **CARD Hosted Swim Meet**

The Cardinal Swim Club will be hosting a swim meet in the month of December. This meet is a substantial portion of our fundraising efforts for the season. It is also part of our responsibility of supporting the sport of swimming, our children, and the financial obligations of our club. Each family will be required to work a minimum of two four-hour shifts during our meet.

## **Social Events/ Activity**

Each family is expected to volunteer, to assist/ coordinate in either a social event or an activity during the course of the season. We strive to make swimming fun for our children and sometimes they need to do fun things outside of the pool area. We want to keep them interested in swimming and the best way to do that is to give them a break periodically to enjoy socializing with other swimmers in a different environment.

## **Fundraising efforts**

Each family is required to participate in any and all fundraising efforts that the club may take on throughout the season. With the high cost of operating the club it is extremely important to have all members take part in the clubs fundraising efforts. This is the best method of keeping our monthly fees at a reasonable rate. These will be limited to our most productive efforts, not enough to be considered a burden on our families.

-----

Each family should select at **least two** of the following activities in which they will assist.

- \_\_\_\_\_ Swim-a-thon (January)
- \_\_\_\_\_ Annual Swimmer Recognition Banquet (April - 25th Anniversary)
- \_\_\_\_\_ Group Activities (Various dates ex: pizza party, xmas party, movie day)
- \_\_\_\_\_ Corporate Sponsorship Drive (September-October)
- \_\_\_\_\_ Peter Vanderkaay Special Event (September)

\*\*\* For more detailed information regarding volunteer opportunities, please contact any board member.
